

Saving Joey

Your joey's name: _____

Think back to all the different activities you used in each lesson. Many of them involved mathematics. Fill out the table below, specifying which skills you think you used or learnt, and where/how you used these skills.

Maths skill which I used	Where I used it	Example of the maths Eg. a formula with answer, a question with the working, and an answer etc.	Did I understand how to use skill? Y = Yes AB = A Bit N = No

Personal reflection:

a) Did I work well in my team? Explain why/why not.

b) Did I enjoy the activity? Explain why/why not.
