

FOOTBALL – THE BEAUTIFUL GAME

Getting started

This case study is in the form of a self-contained application. Versions are available for MS Windows and Mac OS X. The website or DVD should have given you the correct version for your computer.

All of the required resources can be accessed and printed from within the application.

To start the application, double-click **Start**.

To access the Teachers' notes, click the **TEACHER SUPPORT** button at the bottom of the **Video introduction** page (which is the first page you see when you open the case study).

If you are using a computer or network with strict security controls you may need to seek advice from your ICT support staff to enable you to run this software.

Hardware & software requirements

The minimum Windows PC hardware specification is:

- 900MHz or faster AMD/Intel processor with 128MB RAM
- 250MB free hard disk space
- Display resolution of 1024 x 768, 24-bit colour
- Speaker or headphones
- Printer

The minimum Apple Macintosh hardware specification is:

- 500MHz PowerPC G3 processor with 128MB SDRAM
- 250MB free hard disk space
- Display resolution of 1024 x 768, 24-bit colour
- Speaker or headphones
- Printer

Adobe Reader (or similar) is required to view the Teachers' notes. *Adobe Reader* is available to download for free from:

<http://www.adobe.com/>

Microsoft Excel or an alternative (such as *OpenOffice*) is also required if pupils want to analyse the data they gather in more detail.

OpenOffice is available from <http://www.openoffice.org>.

A free *Microsoft Excel Viewer* (Windows only) is available from:

<http://office.microsoft.com/downloads/2000/xlviewer.aspx>
