

### Transcript 3.1: The team help local villagers

*Daytime. The scene opens with JON making another report outside a tribal hut in the jungle. ANDY is filming JON giving his report.*

**JON:**

It's 1500 hours. We've been here exactly 2 weeks now. We've had some narrow escapes from the guards so we need to finish up quickly – we need to start doing 24-hour surveillance to get things moving ...

In the past 2 weeks we've met up with the indigenous tribes of the rainforest. They've helped us in the fight against Log Inc, and we've helped them as best we can.

Elders from the local village have asked for our help – so Andy and I have come to see what we can do. I'll keep you posted.

*They go into the hut.*

*ANDY turns off the device and the screen goes black.*
