

## Transcript 4.3: Escape

*It's dawn. The scene opens with the team running towards the clearing. Above the noise of the rotor blades, the sound of the guards can be heard. Gun shots ring out around the forest.*

*The team makes it to the helicopter and is safe.*

**JON:**

OK, is that everyone? Let's get out of here!

*Sound of helicopter from inside the cabin. We see images of the team. Some are exhausted, some laughing and patting each other on the shoulders, some looking out of the chopper window.*

*END title: MISSION:COMPLETE*
