

# Resource 1:5 Walkie talkie message from Mavis Broom

MAVIS (ON HER WALKIE TALKIE):

Thank you very much Festival Support Squad! You have saved Torbury Festival from being a complete washout! I've just had word that there are a record number of people queuing outside! It's not long now until the gates open up and the festival can begin . . . Hey where are you putting that? Got to go Festival Support Squad. Thanks again.
